# DIGITAL THEATRE+

FOR WELLBEING
Enrichment

"I regard theatre as the greatest of all art forms, the most immediate way in which a human being can share with another the sense of what it is to be a human being."

– Oscar Wilde

As You Like It © John Tramper

Digital Theatre+ isn't just the perfect tool for studying Theatre and Performing Arts – it also has a multitude of benefits to support wellbeing. As well as entertaining audiences and providing a form of escapism, theatre has the power to spark the imagination, encourage self-expression, boost confidence and develop key relationship skills.

Consider new ways your institution could reap the benefits of Digital Theatre+, making the most of your subscription and ensuring your students' enrichment extends far beyond their studies.
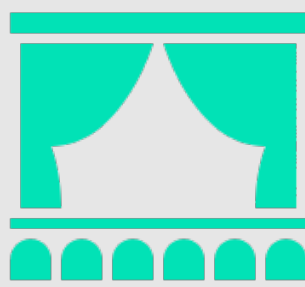

Discover new ways to make the most of Digital Theatre+

ENJOY UPLIFTING PRODUCTIONS

Escape into the world of theatre with some of the most uplifting productions on Digital Theatre+, including classic comedies *Much Ado About Nothing* and *As You Like It*, and musical favourites *Funny Girl* and *Into the Woods*.

HOST THEATRE NIGHTS

Digital Theatre+ is a great tool for academic use – but why stop there? Try introducing monthly theatre screenings in class or after hours to engage students even further and promote a sense of community. Popcorn at the ready!

ENCOURAGE EXTRA-CURRICULARS

Don't forget – students can access Digital Theatre+ both on campus and at home. Encourage them to explore the platform in their own time to discover inspiring new resources; they could use DT+ in clubs or societies, or write theatre reviews in their free time!

What people are saying

> **Many faculty and students immerse themselves in content just for the sheer love of theatre!**

Scott Stone,
Research Librarian for Performing Arts,
University of California, Irvine

> **The best we can hope for in education is to ignite curiosity and foster lifelong learning. Digital Theatre+ is a vital tool in achieving both.**

Elizabeth Dutton,
English Instructor,
Northeastern Technical College

> **Digital Theatre+ helps our students develop as well-rounded artists and expands their world-view, making them all the more employable after graduation.**

Jeremy Franklin,
Director of Music/Theatre,
Colorado Mesa University
