APPLY & REGISTER FOR CLASSES IN ONE DAY

Message from the President

Welcome to the Pride! Spring semester is a wonderful time to be a student at Wallace State!

As we start a new year and a new semester, there are a number of new opportunities to enhance your experience. Open enrollment classes allow you to enroll with a flexible start date and complete your course on your schedule throughout the semester. A list of open enrollment course options is available on page 42 of this publication.

Wallace State has been selected to launch a bachelor's degree nursing program in partnership with UAB. This model program recognizes Wallace State's outstanding record in nursing education and will serve as a model for the state. Other recently launched programs at WSCC include Dance, Geospatial Information Systems (GIS), Building Construction, Cardiovascular Sonography, Global Studies, Medical Laboratory Assistant, and a Small Farmer Training program.

New earn-and-learn programs, such as the FAME program for industrial maintenance students, a partnership with Toyota and other industries, a Mercedes Co-op program with our automotive service program, and a Kubota training partnership in our diesel mechanics program, allow Wallace State students to earn money and experience while completing credentials. Visit the Center for Career and Workforce Development on the 9th Floor of the Bailey Center to learn more.

Wallace State has been named an Achieving the Dream Leader College, among the Top 150 community colleges in the nation by the Aspen Institute for the third time, the first-choice community college by Alabama high school seniors taking the ACT, and among the top colleges for health care and workforce development. Our completion agenda – focused on helping students Start Early, Start Right, Finish and Succeed – is receiving widespread acclaim as rates of student success, retention and graduation climb to among the highest in the nation. The college has once again been recognized as a Military Friendly institution, with resources dedicated to honoring and serving our veterans on campus.

Start planning now for your future. Please take time to review the spring semester offerings, and visit an advisor in Lion Central to review a Pathways map for the program that's right for you. Take advantage of the Student Resource Center on the 8th and 9th floors of the Bailey Center, which includes a Tutoring Lab, with study space and a computer lab accessible to all students, and a Job Placement Center, where students can search for apprenticeships, internships, and job opportunities.

To learn more about all Wallace State has to offer, visit the Wallace State website, download our app, or visit Lion Central. Discover your story at Wallace State! We look forward to your involvement on our campuses!

DISCLAIMER

Information contained in this schedule is offered for planning purposes only and is subject to change. For the latest information, visit www.wallacestate.edu.

ACCREDITATION

Wallace State Community College is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award associate degrees. Contact the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404.679.4500 for questions about the accreditation of Wallace State Community College.

ADA ACCOMMODATIONS

All students receiving services through the ADA Office need to make an appointment or stop by to discuss the classes and accommodations needed for Spring Semester. All students wanting to utilize their accommodation for priority registration must make the appointment and have documentation on file before Wednesday November 13, 2019. The WSCC ADA Office publishes a handbook outlining the policies and procedures required for acquiring academic accommodations. It is the student's responsibility to make sure that each step is completed. For further information, contact Director of Special Populations, Lisa Smith on the 8th floor of the Bailey Building, 256.352.8052, or visit www.wallacestate.edu/mainmenu/current-students/ada/accommodations.html.

NON-DISCRIMINATION POLICY

It is the policy of Wallace State Community College, a postsecondary institution under the control of the Alabama Community College System Board of Trustees, that no person shall, on the grounds of race, color, sex, religion, national origin, disability, age, or sexual orientation be excluded from participation in, be denied benefit of, or be subjected to discrimination under any program, activity or employment. The College will not retaliate against any person because they have engaged in a protected activity opposing the College or because they have made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding or hearing alleging discrimination on a basis specified above.

Having Problems with Blackboard? Call 256.352.8374

Students may call for Blackboard assistance during business hours or visit learn.wallacestate.edu and click on "Blackboard Student Help" for online assistance.

Wallace State Community College is an open admissions institution. All students who have earned a high school diploma or GED are eligible for admission. In addition to an application for admission, students are required to supply the College with an official copy of their high school transcript or official copy of their GED scores. Students transferring from another college must submit an admissions application and an official copy of their transcript(s) from each college they have attended; in addition to their high school transcripts or GED scores if they did not complete a baccalaureate degree. Transient students must submit a transient letter from their home institution stating the courses they will be allowed to take in addition to an application for admission, Proof of ID, and Residency Form.

Graduates from a non-accredited high school with a diploma demonstrating successful completion of a course of study on the secondary level based upon the Carnegie units required by the state education agency at the time of the award (currently 24) are eligible for admission. If the above requirements are not met, the student must take a GED test.

Special requirements may apply to International Students seeking admission. International students must submit official transcripts, an I-20 Form, TOEFL scores, declaration of responsibility statement, proof of insurance, and all appropriate admissions forms. Further information is available in the college catalog.

Accelerated high school students who have completed the

tenth grade, have the required GPA, and are recommended by the local principal may enroll at Wallace State only in postsecondary courses for which high school prerequisites have been completed. Exceptions may apply for students documented as “gifted and talented” according to the standards included in the State Plan for Exceptional Children and Youth.

Visit Lion Central in the Bailey Center, or call 256.352.8236 or email lioncentral@wallacestate.edu for information about general admission.

DUAL ENROLLMENT

256.352.8050

The Dual Enrollment/Dual Credit High School program allows eligible high school students to enroll in college classes concurrently with high school classes, either on the college campus or at the high school, and receive both high school and college credit. The student must be in grade 10, 11 or 12, have the required GPA; and obtain written approval of the Principal and Superintendent.

Contact the Dual Enrollment office at 256.352.8050, 256.352.8051, 256.352.7844 or 256.352.7807, or email Rachael Howze at rachael.howze@wallacestate.edu, for information about Dual Enrollment, Fast Track Academy, Fast Track for Industry, and the new Fine and Performing Arts Academy.

Visit www.wallacestate.edu/programs/dual-enrollment for more information.

Getting Started at Wallace State

1. Apply for Admission, click on **myWallaceState**.
2. See Admissions Eligibility for Required Documentation.
3. Proof of identification: According to State Board Policy 801.01, for admission to an Alabama Community College System institution, all new students as of Spring 2009 semester must have on file in Admissions either; (1) one primary form of photo documentation, such as an unexpired Driver's License, or (2) two secondary forms of documentation, acceptable alternate photo ID.
4. Submit high school transcripts and transcripts from other colleges.
5. Complete Residency Form.
6. Apply for financial aid: Visit the Financial Aid section of the website for complete information.
7. All students must have appropriate placement scores in math and English. The ACCUPLACER assessment exam will determine placement in math and English classes. If you received a score of 17 or higher on ACT English and math, you are exempt from this test. You may also be exempt based on courses taken and grades earned in high school. See your advisor for information or the Advising Office located in the Bailey Center Lobby.
8. Attend Lion's Pride. This is designed to inform you about the policies, procedures and opportunities that await you as a Wallace State student.
9. First time students are encouraged to meet with an advisor for initial registration. To schedule non-traditional/distance education advising services for online students who are out-of-state or cannot access traditional advising services, please call the Advising Center at 256.352.8040.
10. Log onto your myWallaceState account. Visit www.wallacestate.edu, click on myWallaceState – then select the appropriate option.
11. Register for Classes: Take a look at the schedule for the semester you want to register. There you will find a listing of classes offered, registration schedule and other useful information. View your DegreeWorks education plan to determine classes that you have completed or need to take. You will register for classes on your myWallaceState account.
12. Pay tuition and fees either online from your myWallaceState account or at the Cashier's Office located in the James C. Bailey Center.
13. Get your Lion Card and parking decal at Lion Central located in the lobby of the Bailey Center. You will need your unexpired driver's license and vehicle tag number in order to receive a parking decal. You will need proof of identification to receive your Lion Card.
14. Purchase books. The Campus Bookstore is located next to the Student Center.
15. Go to classes! See important attendance requirements in the Financial Aid section of this schedule. See Building Codes and Campus Map at the back of the schedule.

Register Online

www.wallacestate.edu

1. Visit www.wallacestate.edu. Click on myWallaceState. Login using your W# or Student Number beginning with an A (ex. A00099990). This A number is new as of Fall 2019. All students now have an A# that replaces the previous student number that began with a W. Your pin is your 6 digit date of birth (ex. Jan. 1, 1999 = 010199). Your social security number will not work as your log in credential.
2. After logging in you may be prompted to change your PIN for privacy and security. Please make note of your student number. You can find your A# after logging in by viewing your Student Records. It will be listed on the Holds or Transcripts screens. Click on the Student tab then the Registration Module.
3. Click on Proceed to the Registration Module. Select Prepare for Registration to check registration status for any holds.
4. Click on Register/Add/Drop Classes, Enter Course Reference Number (CRN) or search for course. Once schedule is complete click on Student tab, Student Account and then select Account Summary.
5. To complete registration, students should make payment in full or will be auto-enrolled in the Tuition Payment Plan.

NOTE: The days of the week in the schedule are indicated as follows: M = Monday; T = Tuesday; W = Wednesday; R = Thursday; F = Friday; S = Saturday. For example a class with days listed as TR are held on Tuesday and Thursday.

WHAT ARE FLEX TERMS & OPEN LEARNING CLASSES?

Flex Terms, formerly Mini Terms, are offered each semester to allow students 1) the opportunity to complete courses in less time than a regular full term and 2) to start or add classes at multiple points in the semester. Students wishing to accelerate completion of their degree might choose, for example, to complete ENG 101 during Flex Term I and ENG 102 during Flex Term II, so that both classes are done in one semester. Be sure to talk to your advisor if you have questions about scheduling.

"Open Learning" classes refer to online classes that begin after Drop and Add ends. They start after Flex Term I and full-semester courses and before Flex Term II classes. However, even though the start date is flexible, the assignments, tests, and other assessments are all due by the end of the regular semester. Therefore, these courses are for highly-motivated students that can complete assignments successfully with less time.

Withdrawal Policy

Withdrawal from a Course During Registration and Drop/Add Period

A student may drop a course either in person or on their MyWallaceState account during registration until the drop/add period ends. If dropping in person, a form is available at Lion Central located in the Bailey Center Lobby. The form is completed and the drop will be completed by Admission personnel. The student can view the drop when processed on their MyWallaceState account. The class and the charges will be removed from the student's records if dropped before classes begin.

Withdrawal from a Course After Registration and Drop/Add Period Ends

Once the drop/add period is over the student may withdraw from a course and will receive the grade of W in the course.

The W will be posted on the official transcript and will not be used in computing the GPA. (The W will be used in calculating attempted hours for Satisfactory Academic Progress (SAP) to receive Financial Aid.) The last date to withdraw from a course for the term is published in the current course schedule. Students can withdraw from a course via their MyWallaceState account or in person at Lion Central located in the Bailey Center Lobby. Students who receive financial aid are advised to meet with the college financial aid department to determine impact on SAP.

Withdrawal from the College

A student may withdraw from the institution up to the deadline published in the course schedule. Withdrawing from all classes constitutes a withdrawal from

the college. Once the drop/add period is over the student may withdraw from a course or all course and will receive the grade of W in each course in which they withdraw. The W will be posted on the official transcript and will not be used in computing the overall GPA. The W will be used in the calculation for attempted hours on SAP. The last date to withdraw from a course (or all courses) is published in the current course schedule. Students can withdraw from the college via their MyWallaceState account or in person at Lion Central located in the Bailey Center Lobby. Students who receive financial aid are advised to meet with the Financial Aid Department to determine if withdrawing from all classes will impact their Satisfactory Academic Progress (SAP).

FREE Tutoring

256.352.7821

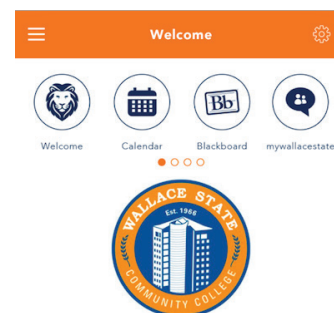

Free Tutoring is offered to Wallace State students seeking assistance in subjects such as:

- Math
- English
- Biology
- Computer Science
- Business

The Tutorial Lab is located on the 8th Floor of the James C. Bailey Center and is open 8 a.m. to 6 p.m. Monday through Thursday and 8 a.m. to 2 p.m. Friday. Please take advantage of the free service. Ask your instructor for tutoring information or contact the Tutorial Lab at 256.352.7821.

Use it to register, check your schedule and account balance, view the Wallace State calendar, important phone numbers, a campus map and more! Search for Wallace State Community College in your app store to download the app and put it to use for you!

WALLACE STATE
HANCEVILLE • ONEONTA

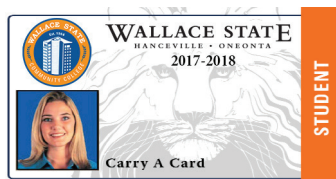

Parking Permits

Parking Permits are available free of charge from Lion Central, the Wallace State One Stop Center for enrollment services, located on the first floor of the Bailey Center. All students are required to obtain a parking permit if driving on campus. Students are required to renew their parking permit each Fall semester.

Lion Card/Student ID

All students are required to have this form of identification while on campus or at clinical sites. IDs are available at Lion Central. Cards may be loaded with cash called LION LOOT. Use your LION LOOT at the WSCC Bookstore, Printing Labs, and the Library.

Students receiving financial aid should read the following information carefully:

Dropping a course prior to **January 15, 2020**, will result in a recalculation of a student's federal financial aid which includes Pell Grants, Direct Loans, and SEOG Funds. This recalculation could affect the amount of the financial aid award and may result in a balance owed to the college.

Dropping all classes prior to March 18, 2020, will result in a recalculation of federal financial aid which includes Pell Grants, Direct Loans, and SEOG Funds. This recalculation will be based on the number of days the student attended the class prior to dropping all classes. A student will likely owe a portion of financial aid back to Wallace state and/or the US Department of Education if all classes are dropped prior to March 18, 2020 or if the student quits attending classes prior to March 18, 2020.

APPLY EARLY – Students applying for financial aid should apply at least two (2) months before the next semester begins. Applying early will help ensure a timely response to federal guidelines and will allow for any unforeseen problems/situations that might occur. Applying early will also help the student avoid potential long lines or waits.

BOOKSTORE CHARGES

If Pell Awards exceed the amount of tuition and fees owed, students may charge books and supplies on their Pell accounts at the WSCC Bookstore. These accounts will be open for charges Wednesday, December 18, 2019.

DISTANCE EDUCATION students are responsible for logging in and meeting orientation requirements for all Blackboard, Internet, and video classes. Pell funds will not be distributed until attendance is verified.

BALANCE CHECKS

Per federal guidelines, attendance must be verified before balance checks can be mailed. **PLEASE NOTE:** Students in DISTANCE EDUCATION courses are responsible for logging in and meeting orientation requirements for all online and video classes.

Pell Grant and Loan balance checks for students whose attendance has been verified by January 13, with no holds on their accounts, will begin mailing Friday, January 17, 2020.

If you are registered for a class (or classes) that begin during the late registration period, from January 13-15, your balance check for those classes is expected to be mailed within 14 days of attendance verification. If you are enrolled in any classes that begin later than January 17, 2020, your balance check for those classes will be mailed at a later date, generally within two weeks of attendance verification.

NOTE: Disbursement of funds to student accounts takes place by class, so that your total award is allocated proportionally for each class as it is attended and verified. You must attend a class prior to any funds being mailed for that particular class. Depending on how many classes you have attended and had verified by January 13, for example, you may

receive your balance check in one lump sum, which is often the case, or in more than one payment, reflecting the proportion of classes attended and verified. Students can view funds as they are accrued in their MyWallaceState student account.

Withdrawal from all classes after receiving balance checks will result in Pell overpayment and future Pell payments for WSCC or any other college will cease until the overpayment is repaid.

Classes with No Attendance Verification: Students utilizing federal financial aid who do not show attendance for one or more classes may have registration removed from the classes lacking attendance verification. Students will need instructor permission to re-enroll in classes that were removed for no attendance verification.

INSTITUTIONAL SCHOLARSHIP recipients must complete a 2019-2020 FAFSA prior to enrollment being completed. Scholarships cannot be added to the student account until the FAFSA is received.

REMEMBER

Students must re-file for Pell Grants for every academic year (Fall – Summer). The Free Application for Federal Student Aid (FAFSA) is available online at www.fafsa.gov. Students applying for 2019-2020 (fall 2019, spring 2020, summer 2020) Pell Grants must complete the forms with 2017 tax data. It is the student's responsibility to provide any additional information requested by the Financial Aid Office. The Grant cannot be awarded until the student's file is complete

****Priority Deadline for spring 2020 Financial Aid is November 1, 2019.**

Completed Financial Aid paperwork must be submitted to the Financial Aid Office and Admission requirements (ID, residency, transcripts, etc.) by the deadline of November 1, 2019 in order for funds to be available for spring semester 2020. Visit <http://www.wallacestate.edu/finaid.html>. Students should review their MyWallaceState account for individual requirements.

Additional Fees: See college catalog for program specific fees.

Students who are NOT residents of Alabama pay two times the stated rate of tuition. Fees are the same. ALL TUITION & FEES ARE DUE AT REGISTRATION.

WSCC PAYMENT PLAN

WSCC Students who do not pay 100 percent of their account balance by the earliest due date, will be automatically enrolled in the WSCC Payment Plan, which will include a **\$25 enrollment fee**.

Payment Plan Due Dates - Spring 2020

Below are the Payment Due Dates for the WSCC Payment Plan.

Payment Due Date	Payment amount of balance due	Enrollment Fee	Late Fee (for each due date missed)
Jan. 2 (or within 24 hours of Registration through Jan. 15)	1/3	\$25	WAIVED
Feb. 3	1/3	\$25	\$50
Mar. 3	1/3	\$25	\$50

NOTE: All enrollment fees and payments are processed immediately.

TUITION REFUND POLICY

Refund for partial withdrawal: Students who do not completely withdraw from the college but drop a class during the regular drop/add period will be refunded the difference in tuition paid and the tuition rate applicable to the reduced number of hours, including fees appropriate to the classes dropped. There will be no refund to a student who partially withdraws after the official drop/add period has ended.

Refund for a complete withdrawal: A student who officially or unofficially withdraws from all classes before the first day of class will be refunded the total tuition and other institutional charges. A student who officially or unofficially withdraws completely on or after the first day of class but prior to the end of the third week of class will be refunded according to the following prorated refund schedule:

Regular Term (January 8-April 30)

Through January 7	100%
January 8-January 14	75%
January 15-January 21	50%
January 22-January 28	25%
After January 28	no refund

Flex Term I - 8 weeks (January 8-March 3)

Through January 7	100%
January 8-January 11	75%
January 12-January 15	50%
January 16-January 19	25%
After January 19	no refund

Flex Term II - 8 weeks (March 5-April 30)

Through March 4	100%
March 5-March 8	75%
March 9-March 12	50%
March 13-March 16	25%
After March 16	no refund

Administrative Fee: An administrative fee not to exceed 5% of tuition and other institutional charges shall be assessed for each withdrawal within the period beginning the first day of class and ending at the end of the third week of class.

NOTE: Insurance fees are non-refundable.

Tuition refunds are computed according to the date the student notifies the college Admission's Office of their official withdrawal, not his/her last date of class attendance.

Wallace State does not give cash refunds: Under normal circumstances, refund checks are issued weekly and mailed to the student. If payment was made by check, the student must wait 15 days for the check to clear before a refund is issued. Refer to the current academic calendar for drop/add and withdrawal deadlines.

CHECK BALANCE: Students can view their balance via their myWallaceState account. To access your balance please follow these steps:

1. Log on to your myWallaceState account.
2. Click on the Student Account
3. Click on Account Detail for Term
4. Select Term and Submit

To pay your balance using a Debit or Credit Card, or check, you may select Payment Processing, under Student Account.

Tuition Payment Options

WSCC Students have two options for payment of tuition and fees. If a student does not pay 100 percent of their account balance by the earliest due date, they will automatically be enrolled in the WSCC Payment Plan, which will include a **\$25 enrollment fee**.

Delinquent Accounts

In the event of an unpaid balance from a previous semester, the student will be removed from housing, meal plans will be canceled, and grade reports, college credits, transcripts or diplomas will not be issued or released. A student with a delinquent account shall not be allowed to enroll in subsequent terms until the balances are paid in full.

The institution has the right to refer the student's delinquent account to a collection agency for failure to meet financial obligations of any kind to the institution, including the payment of additional payment charges, attorneys' fees, and any other fees and charges necessary for the collection of any amount not paid when due.

ONLINE PROGRAMS
ON Your Terms
ON Your Schedule

Wallace State offers degrees, certificates, and hundreds of courses in an online format to easily fit your schedule and your life.

Check this publication for courses designated as "online." Online courses are grouped together under each subject, with a note mentioning "online" underneath each listing. Note, too, that courses designated as "hybrid" are taught partially online and partially on campus. Many programs have online and hybrid courses available.

The following degrees are available 100% online:

- Associate in Arts (Liberal Arts)
- Associate in Science (General Studies)
- Business Education & Office Management
- Child Development
- Computer Science (Programming, Micro Computer, Mobile Web Technology, Information Technology)
- Health Information Technology
- Medical Coding
- Office Management & Supervision

(Pharmacy Tech and Polysomnography degrees are available online, with limited campus visit requirements.)

Learn more about these programs at www.wallacestate.edu/programs. Pathway maps for streamlining program completion are available for each program.

Residence Halls

256.352.8156

Living on campus has many advantages. Wallace State's residence halls provide an environment conducive to academic achievement and are conveniently located within walking distance to classrooms, the library, and other campus facilities. Residents often find that living in a dorm is a great way to become involved in student activities and make new friends.

Wallace State offers both men's and women's dormitories. The rooms are large and designed for double-occupancy, but a limited number of single rooms are available. Most rooms have two double beds, two study areas with storage units, a large walk-in closet and a private bath. Multiple laundry facilities are located in each residence hall with coin-operated washers and dryers.

Telephone and cable outlets are provided in each room.

The residence halls also provide community kitchen facilities. In addition, residents are allowed to have refrigerators and microwave ovens in their rooms. The WSCC Café, located in the School of Nursing and Center for Science, is open Monday-Thursday, from 7:30 a.m. to 5 p.m., and provides meals offered through the meal plan. A variety of restaurants are located adjacent to campus.

Spring Semester Dorm Rates

\$1,400 Double Occupancy
\$11.57 Double Occupancy Prorated Rate
\$2,800 Single Occupancy
\$23.14 Single Occupancy Prorated Rate

Applicants admitted to the dorms after the second week of classes will be charged a prorated dorm rental rate based upon the number of days remaining in the semester.

Spring Schedule Meal Plan

Plan A	Plan B
\$850	\$1,050
\$13.08 Prorated Rate	\$16.15 Prorated Rate

Plan A: 8 Meals Per Week
Plan B: 12 Meals Per Week

Applicants applying for the meal plan after the second week of classes will be charged a prorated rate based upon the number of meal plan days remaining in the semester.

OPEN LEARNING COURSES - SPRING 2020

“Open Learning” classes refer to online classes that begin after Drop and Add ends. They start after Flex Term I and full-semester courses and before Flex Term II classes. However, even though the start date is flexible, the assignments, tests, and other assessments are all due by the end of the regular semester. Therefore, these courses are for highly-motivated students that can complete assignments successfully with less time.

15 IS A CASH MACHINE

Extra years of college can cost you thousands, both in what you pay and what you lose from not having a job. So, taking 15 credits a semester (for 30 a year) saves you money and lets you make more. Cha-ching!

15 IS BRAIN FOOD

Students who take 15 credits a semester (for 30 a year) tend to get higher GPAs. So when it comes to getting better grades, taking 15 is sort of a no-brainer.

A

A Number: The A Number is the Student Number assigned to each student who applies to Wallace State Community College (as of July 1, 2019). **See Student Number.**

ACCUPLACER: ACCUPLACER is the assessment test for students to determine placement in math and English classes. Students with ACT scores of 20 or above or SAT scores of 470 or above in math and English in the last three years are not required to take the placement exam, as well as students who have taken the ASSET or COMPASS test within the last three years.

Adjunct: An adjunct is a part-time instructor, usually teaching evening courses.

Attendance Verification (AV): Attendance Verification is required of students for each class they take each semester to maintain their schedule. It is also required of students receiving financial aid in order for the distribution of balance checks. Students can track their Attendance Verification through their myWallaceState account under the Student tab.

B

Blackboard: Blackboard is the application through which students and instructors communicate. Instructors make assignments and students submit assignments through Blackboard. It also provides announcements to students, faculty and staff; a calendar, address book, and other tools for students to use to stay on track.

C

Convocation: Is the meeting of Wallace State faculty and staff prior to the start of a semester.

Co-requisite: Usually associated with English or mathematics courses that allow students to enroll in two courses during the same semester, one a developmental course and the other the next-level course in that subject.

CRN: Stands for course reference number. Each class is given a

unique CRN used during the registration process.

D

Days: The schedule uses abbreviations to indicate the days of the week classes are offered.

- M = Monday
- T = Tuesday
- W = Wednesday
- R = Thursday
- F = Friday
- S = Saturday

DegreeWorks: The online source through myWallaceState that helps students track their progress and provide guidance for courses to take that fit within their degree plan.

Disbursement: Disbursement is the delivery of funds remaining in student financial aid accounts after tuition and fees, books, etc., have been removed. The money is delivered by check and usually sent out two weeks after classes begin and attendance is verified.

Dual Enrollment: Dual enrollment allows high school students in grades 11-12 to earn high school and college credit at the same time, advancing their college degree by up to two years.

F

Faculty Duty Day: Days set aside for Faculty to complete professional development or tasks associated with their programs. No classes are held on these days.

Fast Track: Fast Track is a joint partnership between Wallace State and local school systems which allow high school juniors and seniors the opportunity to complete up to two years of college coursework before high school graduation. All coursework is taken on Wallace State's campus, but students are still able to return to their local high school to participate in extracurricular activities.

FAFSA: FAFSA is the acronym for the Free Application for Federal Student Aid, which all Wallace State students seeking any type of financial assistance or scholarships must complete. Students should complete the FAFSA at

least two (2) months before the next semester begins.

Flex Term: Flex Terms, formerly mini terms, are offered each semester, condensing a regular term course into a shorter time period, often half a semester. Dates for each term are listed in the Schedule. A number of courses in a variety of subjects are offered during each Flex Term.

Flipped Class: A Flipped Class lets students do homework in class, and everything else online.

G

GPA: GPA is your Grade Point Average and is determined by averaging the grades received, and is computed by multiplying the quality points earned by the credit value of each course and dividing the total quality points earned by the total credit hours attempted. A student's GPA is calculated for each semester and cumulatively for the student's college career.

H

Hybrid Class: Hybrid classes are those that are taught mainly online, with occasional on-campus visits for tests or labs, with the number of visits at the instructor's discretion. *See Respondus Lockdown Browser.*

K

Kaltura: An online resource for students to watch lectures recorded by instructors; for use in hybrid and online courses or as reference in traditional courses if used by those instructors.

L

Location: Campus Locations of classes are listed under Campus in the online registration link. Understanding the abbreviations will be helpful.

- Main refers to the Hanceville campus
- ONE1 refers to the Technical Center
- ONE2 refers to the Academic Center
- APT refers to the Cullman Airport
- JPB refers to J.B. Pennington High School
- TBA is for To Be Announced,

used if location has not been determined when the schedule is printed.

M

myWallaceState: myWallaceState is the portal students use to apply for admission, register, keep track of their schedule, grades and transcripts, pay tuition, view the course schedules, the college catalog and more.

N

Navigate Wallace State: Online tool customized to help students plan ahead and manage their college experience, including reminders of important dates to remember.

O

Online Class: An online class is one in which all lectures, assignments, and exams are conducted by computer. Students can watch lectures through Tegrity, and assignments and exams are usually delivered through Blackboard. Most online courses require Respondus testing. Online math classes also have a final exam requirement which is scheduled on campus. Students with special circumstances may be approved for a proctored exam at an alternate location. In such situations, the student is responsible for securing an approved proctor with approval from the instructor at a certified testing center, college, or university at least two weeks prior to the scheduled exam date. Online classes are designated in the course schedules under a separate online heading for each subject. *See Respondus Lockdown Browser.*

Open Learning: "Open Learning" classes refer to online classes that begin after Drop and Add ends. They start after Flex I and full-semester courses and before Flex II classes. However, even though the start date is flexible, the assignments, tests, and other assessments are all due by the end of the regular semester. Therefore, these courses are for highly-motivated students that can complete assignments successfully with less time.

P

Pathways: Pathways includes four meta-majors — Applied

Glossary of Terms

Technologies, Health Science, Liberal Arts/General Studies, and STEM (Science, Technology, Engineering, Math). Students can choose one of the four meta-majors that best meet their general interest, before choosing a major within one of those meta-majors.

Payment Plan: A payment plan offered to Wallace State students, allowing them to break up their tuition into two, three or four payments, depending on when they enroll in the plan. The earliest deadline each semester requires no down payment, and an enrollment fee of \$30, and splits tuition into four payments. The next deadline requires a 25% down payment, an enrollment fee of \$35, and breaks tuition into three payments. The final deadline requires a 50% down payment, a \$40 enrollment fee, and breaks the tuition into two payments.

Pell Grant: Pell Grant is a form of federal financial aid that does not require repayment as long as the student remains enrolled each semester; awarded based on need.

PLA: PLA or Prior Learning Assessment measures the value of professional/career experience

that can be applied as college credit.

Priority Registration: A schedule for registering in which students are given priority for early registration based on the accumulated credit hours completed at Wallace State

Professional Development Day: Days set aside for faculty and staff to earn Professional Development points. No classes are held these days.

Pre-requisite: A pre-requisite is a course, assessment test score or ACT score required to enter or advance in a course.

R
Respondus Lockdown Browser: Most online/hybrid courses will require the use of Respondus Lockdown Browser by students while taking tests. Respondus Lockdown Browser has two components: Lockdown Browser and Respondus Monitor. Lockdown Browser will not allow the student to open any other applications while taking the test. If other applications are open at the time the browser is opened, the student will be forced to close them before moving forward. Respondus Monitor is a proc-

ing service that requires a webcam in order to take a test. Please note that some online courses (i.e. Math and Business) will use Proctor U instead of Respondus Lockdown Browser to monitor online test taking. Students will need a webcam for Proctor U to record while testing.

Please contact your instructor for more details.

Return to Title IV: The required return of "overpayment" of financial aid funds when a student receiving financial aid withdraws from classes before 60% of the semester is completed, and fail to pass a minimum of one credit hour. Future federal financial aid awards from Wallace State Community College or any other college will cease until the overpayment is repaid by the student.

S
Satisfactory Academic Progress (SAP): SAP is measured each term to determine if students are meeting the requirements to receive Federal Student Aid. Students can track their SAP on their myWallaceState account, under the Financial Aid tab-Financial Status-SAP Status. See the college catalog (Page 39) for detailed information.

Student Number: A student number is assigned to each student who applies to WSCC. As of Fall 2019, that number begins with an A. The number is used to log in to myWallaceState to register for classes, pay tuition, check Financial Aid, etc.

T
TBA: To be announced.

Transcripts: Transcripts are records of a student's education history and are required as part of the application process to enroll at Wallace State Community College. Students can view their most recent Wallace State transcripts in the Student Records tab of myWallaceState.

W
W Number: The W Number was the first letter of the Student Number assigned to each student prior to July 1, 2019.

Wallace ID: A Wallace ID is the email address students are assigned when they first register for classes. The ID is used for their Wallace State email account and to log in to Blackboard and Tegrity.

Web Assisted: Classes with computer lab time on campus with an instructor on hand to assist.

Wallace ID vs. Student Number

What is difference between my Wallace ID and my Student Number?

Your Wallace ID and your Student Number are two different identifiers you will use during your time here at Wallace State. Your Wallace ID is used for your email, Blackboard and Kaltura. Your Student Number, or A#, is used for myWallaceState.

Student Number

Your Student Number (A#) is the number you are assigned when you first fill out the application to attend Wallace State. You will use your student number when you log in to your myWallaceState account to register for classes, pay tuition, check Financial Aid, etc.

Wallace ID

Your Wallace ID is the Wallace State student email address you are assigned when you register for classes for the first time. This ID is used to access your Wallace State email account and Blackboard, which

you will use in your classes to submit assignments, check grades, communicate with your teachers and classmates, etc., and Kaltura, to watch videos instructors provide of lectures, etc.

To check your Wallace State email follow this link <http://www.wallacestate.edu/mywallaceid>, and click on Student Email Login. First-time users will use their Student Number to access their Wallace ID and set their password and security questions. After your Wallace ID is set up, you will be redirected to Office.com. Log in using your full Wallace ID (username@student.wallacestate.edu) and the password you created.

NOTE: Wallace State students can access select Microsoft programs using their Wallace State email account.

For Blackboard and Kaltura, you will sign in using only the first portion of the email address (everything before the @ symbol) and the same password you use to sign in to your email.
